Dear District 30 Administrators, Parent Coordinators and Parent Leaders,

Community District Education Council 30 is excited to announce that all 38 schools in District 30 have agreed to bring families into the school before the doors open in September for a ***Sneak Peek*** into their school.

We are inviting schools to send an administrator and a parent leader to our next CDEC 30 meeting at 6:30 PM on June 13th in the 5th floor conference room at QPN, 28-11 Queens Plaza North, LIC, NY so that we can explain the ***Sneak Peek*** program and share an outline of how the ***Sneak Peek*** program could work utilizing parent leaders.

Sneak Peek goes beyond welcoming new families to our schools. It gives families basic information about the importance of parental involvement in student outcomes and about how to be actively involved in their child's education. For this program to work, parents must be involved. The CDEC will support recruiting and training these parent leaders.

For some schools ***Sneak Peek*** will be a small addition to an existing program and for others this is a new idea. Our goal is to capture family's pre-school enthusiasm and turn it into an opportunity to educate families about how to become active in their child's education.

Please send a school and parent representative to the next CDEC meeting to learn more.

Thank you.

Community District Education Council 30
